

Job Title: Finance and Accounting Intern

Department: Finance

Location: Remote

Duration: Semester Based (Fall, Spring, Summer)

Credit Opportunities: Available

Weekly Hours: 3-10 hours per week

Value Proposition:

Join the Text Student Auto team as a Finance and Accounting Intern and embark on a valuable learning experience that will develop your financial and accounting skills, provide hands-on exposure to financial management within a dynamic startup environment, and contribute to our mission of supporting college students. This internship offers a flexible schedule and the opportunity to work remotely from your preferred location. Exceptional interns have the opportunity to transition into paid roles, leveraging their newfound skills and passion for our mission.

Responsibilities:

- Assist in financial analysis, budgeting, and forecasting
- Support the preparation of financial reports and statements
- Collaborate with the finance team to maintain accurate financial records
- Conduct research and analysis related to financial trends and industry benchmarks
- Assist in monitoring financial transactions and reconciling accounts
- Participate in financial audits and compliance activities
- Work on ad hoc financial projects and tasks as assigned by the finance team
- All other duties as required

Qualifications:

- Enrolled in a finance, accounting, or related degree program
- Strong analytical and quantitative skills
- Proficiency in financial analysis and reporting
- Familiarity with accounting principles and financial statements
- Detail-oriented with excellent organizational skills
- Proficiency in Microsoft Excel and financial software is a plus
- Eagerness to learn and adapt in a fast-paced work environment
- Strong communication and teamwork skills
- Passion for the automotive or education industry is highly regarded

Learning Opportunities:

- Gain practical experience in financial analysis and reporting
- Apply accounting principles to real-world financial operations
- Collaborate with finance professionals to support financial decision-making
- Gain exposure to budgeting, forecasting, and financial modeling
- Develop analytical and problem-solving skills in a finance context
- Contribute to financial audits and compliance activities

Benefits:

- Acquire practical skills in finance and accounting
- Work within a supportive finance team in a dynamic startup environment
- Outstanding performance may lead to paid positions as you immerse yourself in our mission and embrace greater responsibilities.
- Opportunity to earn academic credits through your internship
- Gain exposure to financial operations and industry trends
- Flexible, semester-based commitment to accommodate your schedule

Are you ready to gain hands-on experience in finance and accounting, contribute to financial decision-making, and play a role in empowering college students? If you are passionate about finance, eager to expand your financial knowledge, and want to be part of a mission-driven organization, we invite you to apply for the Finance and Accounting Internship at Text Student Auto. Join us in making a positive impact on students' lives through financial support and guidance.

Please note that due to the high volume of applications we receive, we regret that we may not be able to respond to every applicant individually. Only candidates selected for further consideration or an interview will be contacted. We appreciate your understanding and thank you for considering Text Student Auto as a potential employer.
